[Worldwide Labor Support, Inc \(WLS\)](#) is a premier contact labor company since 1995 that specializes in providing skilled craftsmen nationwide to Marine, Industrial, Fabrication and Construction companies. Their goal is to help clients manage their short and long term staffing needs. From simple projects to the most demanding ventures, WLS have the qualified personnel to do the job right.

Worldwide requires each applicant to submit a detailed application and resume showing 3 to 5 years of experience in a respective craft trade.

The database of qualified craft employees exceeds 10,000 available throughout the nation.

All wages, payroll taxes, workers compensation insurance, general liability insurance and overhead are included in the hourly billing rate.

At customers request WLS will provide an onsite coordinator.

WLS manages workers off site by handling all necessary arrangements to provide housing, transportation and payroll advances.
