Worldwide Labor Support Expansion Announcement

Worldwide Labor Support is expanding services by offering Turnkey On-Site Modular Construction. Listed below are a few key points to review in considering WWLS for your next Turnkey Project.

Established- Worldwide Labor Support, Inc. was established in 1995 as a premier Contract Labor Company that has specialized in providing skilled craftsmen to Marine, Industrial, Fabrication and Construction Companies Nationwide.

Resources- Current Data Base of over 10,000 Skilled Craftsmen to include Quality Assurance Personnel, Safety Management, Estimators, Planners, Supervision and Project Managers.

Facilities & Equipment- Worldwide Labor Support has an established Fabrication/Weld Testing Shop in Pascagoula, MS equipped with welding machines, burning equipment and basic fabrication equipment.

History- From 2000 thru 2002 Worldwide Labor Support constructed Grand Block Sections of Container Ships for Aker Philadelphia Shipyard Inc in Philadelphia, PA. This project included Worldwide Labor Support providing manpower, supervision, project management and equipment to complete assemblies.

Mobilization- Worldwide Labor Support has the resources to mobilize and set up a shop at any location desired by the customer.
